

MEDICAL CHEST INVENTORY- PART I- MANDATORY MEDICINES

VESSEL:	DATE:	
The suggested quantities are based on the following : ▪ "The International Medical Guide for Ships" (IMGS) - as per the "List of Recommended Medicines", also including all MFAG medicines of IMDG Code. ▪ Marshall Islands Flag: Marine Notice 7-042-1 "Medical Care onboard ships, Record Keeping and Responsibilities and Training for Medical Care" ▪ The Quantities included in this Form, are the Minimum Quantities required by Marshall Islands Flag for a period of 6 months for 20 persons for vessels of category A (Oceangoing vessels) and /or MFAG Quantities , whichever is greater. ▪ Quantities with the sign "+" are quantities irrespective of Crew size. ▪ The reference numbers are as per IMG and MFAG Tables. ▪ The form is divided into PART 1 –Mandatory Medicines & PART 2- Optional Medicines . ▪ The Medical Officer should ensure that all MANDATORY medicines included in PART 1 are present at all times. ▪ For convenience, some medicines have widely used "Brand Names", listed in Bold Type. ▪ In order to avoid the danger of expired/missing medicines, the Inventory should be carried every six (6) months. ▪ For convenience, we have noted in BLUE Color, the Brand Name and package of each Medicine, as provided by the Supplier CMC (Greece). ▪ If medicines exist onboard that are NOT OFFICIALLY listed in this Form, please add them in SECTION : OTHER MANDATORY MEDICINES found at the end of this form.		
This Inventory is due every six months: JUNE: ☐ DECEMBER: ☐		
Medical Certificate is valid until:		
PART 1 – MANDATORY MEDICINES		
MANDATORY SECTION	TITLE	PAGES
01	Controlled Substances : sedatives for sleep, epilepsy, hypertension	3-5
02	Analgesic-Antipyretic : pain & fever relief, ear ache, tooth ache	6-7
03	Anti-tetanus	7
04	Medicines for Hemorrhoids	8
05	Local Anesthetics	8
06	Diabetes	8
07	Heart, Blood pressure and related respiratory Problems	9-10
08	General Use	10
09	Malaria	10
10	Antibiotics	11-12
11	Re-hydration and Replacement of Electrolytes & Glucose	13
12	Severe Allergic reactions , Breathing Problems , Asthma Attacks, Hay Fever	14-15
13	Antiseptic /Disinfectant for wounds or surgical use	16
14	Dermatological Diseases, Fungus or other skin conditions	17
15	Gastro-Intestinal System/ Sea-sickness	18-19
16	Eye Irritations or Infections	20
17	Vitamins	21
18	Severe Loss of Blood & Hemorrhage /Blood Stopping	21
19	Insect Repellent – Insecticide, Lice and Scabies	22
20	Antidote for Poisoning	23
21	Sexually transmitted Infections	24

MEDICAL CHEST INVENTORY- PART I- MANDATORY MEDICINES

PART 2 – OPTIONAL MEDICINES

MANDATORY SECTION	TITLE	PAGES
01	Nil Optional Medicines for Controlled Substances	
02	Optional Medicines (Analgesic-Antipyretic: pain & fever relief, ear ache, tooth ache)	29
03	Nil Optional Medicines for Anti-tetanus	
04	Optional Medicines for Hemorrhoids	29
05	Local Anesthetics	30
06	Nil Optional Medicines for Diabetes	
07	Optional for Heart, Blood pressure and related respiratory Problems	30
08	Nil Optional Medicines for General Use	
09	Optional Medicines for Malaria	31
10	Nil Optional Antibiotics	
11	Nil Optional Medicines for Re-hydration and Replacement of Electrolytes & Glucose	
12	Optional Medicines Severe Allergic reactions , Breathing Problems , Asthma Attacks, Hay Fever	31
13	Optional Medicines Antiseptic /Disinfectant for wounds or surgical use	32
14	Optional Medicines for Dermatological Diseases, Fungus or other skin conditions	33
15	Optional Medicines for Gastro-Intestinal System/ Sea-sickness	34
16	Optional Medicines for Eye Irritations or Infections	35
17	Optional Vitamins	35
18	Optional Medicines for Severe Loss of Blood & Hemorrhage /Blood Stopping	36
19	Optional Insect Repellents – Insecticide, Lice and Scabies	36
20	Optional Antidote for Poisoning	37
23	Optional Analgesic for Colic Pains – Kidney / Stomach	37
24	Optional Medicines for Muscular and Rheumatic Pains	38
25	Optional Medicines for Common Cold / Cough/ Ear & Throat Inflammations	39

This report should be filed in the Master's File **SAQ 09**.

MEDICAL CHEST INVENTORY- PART I- MANDATORY MEDICINES

SECTION 1 : CONTROLLED SUBSTANCES

SEDATIVES FOR SLEEP, EPILEPSY, HYPERTENSION

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 04 62	Diazepam 5mg Tablets 100's (Valium) <u>CMC Item</u> Valium Tablets 1 Box X 50 Tablets	To treat alcohol withdrawal Sedative for Stress and Sleep Obtain RADIO MEDICAL ADVICE prior to use <i>Controlled Substance</i>	MANDATORY Item A15	Tblt Tblt (Box)	50+ 50 (1)		
39 08 26	Diazepam Rectal Solution 10mg in 2.5ml Ampoule <u>CMC Item</u> Diazepam Injection	To treat chemical-induced disturbances of consciousness, chemical induced convulsions (seizures, fits) ,and Toxic Mental Confusion (See MFAG Tables 4, 5 & 6) <i>Controlled Substance</i>	MANDATORY MFAG 10	Ampl Ampl	5 5		
39 17 24	Haloperidol Ampoule 1 ml = 5 mg (Haldol, Aloperidin) <u>CMC Item</u> Aloperidin Ampoules 5pc x 1mlx5mg	To treat psychotic hallucinations and delusions To treat severe agitation and aggressiveness (see IMGS pages 126-132) <i>Controlled Substance</i>	MANDATORY Item A23 (*MI Quantity for 10 persons = 5 x 2=10)	Ampl Or Box	10 2		
39 17 34	Midazolam Ampoules 1ml=5mg (Hypnovel) <u>CMC Item</u> Hypnovel Ampoule 1ml / 5 mg	To terminate epileptic fits (see IMGS pages 121, 128-130) <i>Controlled Substance</i>	MANDATORY Item A33	Ampl Ampl	10+ 10

(PAIN & FEVER RELIEF, EAR ACHE, TOOTH ACHE) *(continuing)*

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 60	Paracetamol Tablets 500mg (Depon / Panadol Tylenol Acetaminophen) CMC Item Panadol Tablets 20pcs x 500mg	To relieve Pain & Fever But not inflammation (see IMGS pages 17-25)	MANDATORY Item A42 MFAG 20 (MI quantity for 10 =100 x2 -=200)	Tblt Or	200		
		To treat eye exposure to chemicals, skin exposure to chemicals , to relieve pain (see MFAG Tables 7, 8 & 13)		Box	10		

Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form

SECTION 3 :ANTI-TETANUS

MPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 79	Tetanus toxoid Vaccination ampoule Single dose CMC Item Antitetanus Vaccine Ampoule (I.F.E.T)	Part of wound care if status of vaccination is unknown (see IMGS page 68)		Ampl	1		
		Refrigerate (keep at 2-8 ⁰ C)		Ampl	1		
39 06 78	Tetanus Immunoglobulin Ampoules 250IU CMC Item TETAGAM-P Vial 1ml x 250IU	Part of wound care if status of vaccination is unknown (see IMGS page 68)		Ampl	1		
		Refrigerate (keep at 2-8 ⁰ C)		Ampl	1		

Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form

MEDICAL CHEST INVENTORY- PART I- MANDATORY MEDICINES

SECTION 4 : MEDICINES FOR HEMORRHOIDS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 05 40	Docusate with Senna Tablet 50mg +8 mg (Coloxyl) CMC Item Dulcolax Tablets 40 pcs X 5mg	To avoid straining in patients with anal fissure and haemorrhoids To prevent constipation caused by opioid use (see IMGS pages 168-169)	MANDATORY Item A16	Tblt Box	30+ 1		

Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form

SECTION 5: LOCAL ANESTHETICS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 48	Lidocaine 1% Without adrenaline Ampoule 5ml (Xylocaine, Ludocaine) CMC Item Xylocaine Vial 5pcs x 50ml x 2%	For local anaesthesia when suturing wounds or performing minor surgery (see IMGS pages 71-74,216-219)	MANDATORY Item A27 (MI Quantity for 10 persons = 5 x2=10)	Amp Box	10 2		

Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form

SECTION 6 : DIABETES

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 17 23	Glucagon , ready to use Ampoules 1 mg With syringe CMC Item Gulcagen Vial 1x1mg+syringe solv	To treat low blood sugar (hypoglycaemia) due to insulin when oral intakes is impossible and intravenous glucose cannot be given (see IMGS pages 123, 125) (It is recommended to carry a glucose measuring instrument onboard)	MANDATORY Item A22	Ampl Ampl	1+ 1		

Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form

MEDICAL CHEST INVENTORY- PART I- MANDATORY MEDICINES

SECTION 7 :HEART, BLOOD PRESSURE & RELATED RESPIRATORY PROBLEMS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 33	Adrenaline 1:1000 Ampoule 1ml =1 mg (Adrenaline, Epinephrine) <u>CMC Item</u> Adrenaline Ampoule 1x 1ml x1mg	To raise blood pressure in anaphylaxis To dilate airways in sever asthma or anaphylaxis (See IMGS pages 145-147)	MANDATORY Item A03	Ampl Ampl	10+ 10		
39 06 12	Atropine Ampoules 1.2 mg/ml <u>CMC Item</u> Atropine Ampoule 1 x 1ml x 1mg	To treat slow heart rate in myocardial infarction To treat organophosphate insecticide poisoning (see IMGS pages 96, 136) Treatment for ingestion in all cases of chemical exposure (see MFAG Table 17)	MANDATORY Item A07 MFAG 04 ** 15+ is the MFAG Quantity <i>Double quantity if the vessel is carrying organophosphates</i>	Ampl Ampl	15+** 15+**		
39 08 03	Frusemide Ampoules 4ml =40mg (Lasix, Flurosemide) <u>CMC Item</u> Lasix Ampoules 5 ampx 2ml x10mg	To treat severe fluid retention in lungs (pulmonary oedema) , due to cardiac failure (see IMGS pages 15, 136) Inhalation of Chemicals, when the casualty is very breathless (See MFAG Table 9)	MANDATORY Item A21a MFAG 14	Ampl Box	5+ 1		
39 03 30	Isosorbide dinitrate Tablets 5mg Sub-lingual tablets (Pensordil , Cedocard, Isordil) <u>CMC Item</u> Pensordil 40 x 5 mg	To treat angina pectoris (chest pain) To treat myocardial infarction	MANDATORY Item A26 (MI Quantity for 10 persons = 10 x2 = 20)	Tblt Or Box	20 1

PART I- MANDATORY MEDICINES

SECTION 21: SEXUALLY TRANSMITTED INFECTIONS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 31	Doxycycline Tablet 100mg (Neo Dagracycline, Unidox, Vibra-S, Vibramycine) <u>CMC Item : Vibramycin Tablets 8x100mg</u>	Sexually transmitted infections , urethritis, Gonococcal proctitis, gonococcal pharyngitis, genital ulcers , testicular torsion, balanitis etc (see IMMSG pages 195-207, 209-210, 221-223, 271-272)	MANDATORY Item A17 (MI Quantity for 10 persons = 10 x2 = 20)	Tblt	20		
		Box		2			
39 17 53	Zidovudine Plus Lamivudine Tablets 300mg/150mg (Combivir) <u>CMC Item: Combivir 60X(30mg+150mg)</u>	Prophylaxis against HIV Infections (AIDS) after needle stick injury. One tablet daily twice a day for four weeks (see page 252) <u>Qualified Medical Advice needed for general risk assessment on board)</u>	MANDATORY Item A54	Tblt	At least 60 (56+)		
		Or Box		 1			
Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form							

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 2 : ANALGESIC – ANTIPYRETIC

(PAIN & FEVER RELIEF, EAR ACHE, TOOTH ACHE)

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 044 43	Niflumid Acid Capsules 250mg 20pc/box <u>CMC Item:</u> Niflamol 20pcs X 250mg	Tooth Analgesic	OPTIONAL	Box	1		
39 06 80	Antibiotic Ear 1% Drops <u>CMC Item:</u> Garamycin Coll 5 ml X 0.3%	Ear Antibiotic drops	OPTIONAL	Bottle	2		
39 06 03	Antibiotic Ear Drops (13% solution in 20ml bottle) <u>CMC Item:</u> Synalar Otic Ear Drops 5 ml	Ear infection drops	OPTIONAL	Bottle	1		
39 05 83	Mefenamic Acid Tablets 500mg <u>CMC Item</u> Ponstan	Very strong Pain & Fever relief	OPTIONAL	Box	5		

OPTIONAL SECTION 4 : MEDICINES FOR HEMORRHOIDS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 10	Suppositories against hemorrhoids (12's /Box) <u>CMC Item:</u> Proctosynalar 6 suppositories/box	To relieve itching, burning & soreness due to hemorrhoids	OPTIONAL	Box	1		
39 03 34	Anti-hemorrhoidal Ointment 15 gr <u>CMC Item:</u> Proctosynalar Ointment 15 gr	To relieve itching, burning & soreness due to hemorrhoids	OPTIONAL	Tube	2		

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 5: LOCAL ANESTHETICS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 03 68	Local Anaesthetic Spray Lidocaine HCL 80gr <u>CMC Item:</u> Ice Spray 200 ml	For wounds and burns	OPTIONAL	Can	2		
39 03 66	Local Anaesthetic Ointment 25gr <u>CMC Item:</u> Xylocaine gel 30g 2%	For wounds and burns	OPTIONAL	Tube	2		

OPTIONAL SECTION 7 :HEART, BLOOD PRESSURE & RELATED RESPIRATORY PROBLEMS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 02 84	Digoxin Tablets 2,25mg 20's/ pck <u>CMC Item:</u> Digoxin 25 tablets 0.25 mg	For heart failure and as a diuretic.	OPTIONAL	Box	2		
39 06 41	Frusemide Tablets (Lasix, Flurosemide) 40 gr <u>CMC Item</u> Lasix Tablets 12x 40mg	To treat severe fluid retention in lungs (pulmonary oedema) , due to cardiac failure (see IMGS pages 15, 136)	Optional	Tblt Box	24 2		

Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 09 : MALARIA

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 19	Antimalarial Prophylaxis (prevention) (chloroquine phosphate) Tablets (250mg/100's) <u>CMC Item</u> Planquenil 30pcs x 200 mg	Prophylaxis and treatment of Malaria (Quantity depending – on number of crew and when trading in malaria high risk area) (see IMGS pages 265-269)	OPTIONAL	Box	Quantity depending on Number of crew and trading area (300 pcs) 10		
39 03 81	Antimalarial Treatment <u>CMC Item</u> Malarone 12pcs x (250+100) mg	Treatment of malaria (see IMGS pages 265-269)	OPTIONAL	Tblt Or Box	48 4		

Please do not add any other medicines here. Any surplus medicines should be added in Section OTHER- last page of form

OPTIONAL SECTION 12 : SEVERE ALLERGIC REACTIONS & RELATED BREATHING PROBLEMS / ASTHMA ATTACKS / HAY FEVER

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 21	Anti-istamine Injections 10 mg, 10's/Box <u>CMC Item:</u> Fenistil Injection Solution 4mg/ 4 ml	To treat allergy	OPTIONAL	Box	2		
39 06 43	Corticosteroid Injections 500mg <u>CMC Item:</u> Solu-cortef Mix Vial 500 mg 4 ml	To treat allergy	OPTIONAL	Pcs	5		

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 13 : ANTISEPTIC/DISINFECTANT FOR WOUNDS OR SURGICAL USE

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 04	Skin Cream for burns and irritations 25gr <u>CMC Item:</u> Betnovate cream 25gr 0.1%	For burns & irritations	OPTIONAL	Tube	4		
39 06 45	Anti-biotic Ointment 100gr <u>CMC Item:</u> Dermafile Celestoderm Viga Cream	Antibiotic Ointment For wounds / irritations	OPTIONAL	Tubes	4		
39 02 08	Burn Ointment 15gr <u>CMC Item:</u> Helixderm Ointment External Use 20 gr	To treat burns	OPTIONAL	Tubes	2		
39 03 40	Hydrogen Peroxide Solution 500ml <u>CMC Item:</u> Hydrogen Peroxide Solution 200 ml	Disinfectant	OPTIONAL	Bottle	2		
39 02 80	Dermatologic Purulent Infection Spray 85gr <u>CMC Item:</u> Pulvo 47 Spray 100 gr	Disinfectant For open wounds and burns	OPTIONAL	Bottle	2		
39 01 68	Anticeptic Powder 10gr <u>CMC Item:</u> Terramycin Powder 14gr	Antibiotic Powder for wounds and minor burns	OPTIONAL	Box	2		
39 06 57	Antibiotic Ointment 30gr <u>CMC Item:</u> Bactroban Ointment 15 gr 2 %	Antibiotic Ointment for wounds	OPTIONAL	Tube	2		

MEDICAL CHEST INVENTORY-

PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 14 : DERMATOLOGICAL DISEASES, FUNGUS, OR OTHER SKIN CONDITIONS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 04 72	Petroleum Jelly 50g to 100g (Vaseline) <u>CMC Item</u> Vaseline 90 gr	To treat chapped skin (see <i>IMGS</i> pages 212, 261) To lubricate rectal thermometer	OPTIONAL	Jar Jar	4 4		
39 06 77	Zink Powder 100gr <u>CMC Item:</u> Salcano Talk Powder 100 gr	For skin irritation	OPTIONAL	Box	3		
39 01 94	Anti-fungus Powder <u>CMC Item :</u> Dactarin Powder 20 gr 2 %	Anti-fungus Powder (Athlete's foot powder)	OPTIONAL	Box	3		
39 01 96	Betamethazone Dipropionate + salicylic Acid ointment 30gr <u>CMC Item:</u> Propiosalic Ointment 15g 0.05%	Anti-fungus Ointment (Athlete's foot ointment)	OPTIONAL	Tube	2		

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 15 : GASTRO – INTESTINAL SYSTEM / SEASICKNESS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 05	Stomach Suspension Anti-acids 360ml (Aluminium hydroxide) <u>CMC Item :</u> Maalox –Plus Suspension 355ml	For relief of Stomach Aches	OPTIONAL	Bottle	1		
39 06 06	Stomach Tablets – anti-acid (Aluminium hydroxide) 1gram/tab , 100's <u>CMC Item :</u> Maalox –Plus Tablets	For relief of Stomach Aches	OPTIONAL	Box	2		
39 06 50	Liquid Laxative (Magnesium hydroxide suspension) 500ml <u>CMC Item :</u> Milk of Magnesia Liquid 12 ozs	For constipation	OPTIONAL	Bottle	1		
39 06 26	Anti Sea Sickness Tablets (Hydrochloride tablets) 50mg, 100's <u>CMC Item :</u> Drimen sach 50 x 2tablets 50 mg	For Sea Sickness	OPTIONAL	Box	1		

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 16: EYE IRRITATIONS OR INFECTIONS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 06 64	Pilocarpine Hydrochloride eye drops 15ml <u>CMC Item:</u> Isopto-carpine collyrium 4% 15 ml	Eye drops	OPTIONAL	Bottle	2		
39 03 16	Eyewash , isotonic sterile, 500ml <u>CMC Item :</u> Newsept solution 9% 500 ml	For eye washing	OPTIONAL	Bottle	2		
39 03 14	Eye Anti-infective Drops, 12ml <u>CMC Item:</u> Sulfanicole Collyrium 10ml	Eye Drops	OPTIONAL	Bottle	3		

OPTIONAL SECTION_17 : VITAMINS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 05 48	Ascorbic Acid (Vitamin C) <u>CMC Item :</u> Vitorange 12 tabs X 1000 mg	The common cold, chronic illness or infection can increase the need for extra Vitamin C.	OPTIONAL	Bottle	3		
39 05 50	Multi Vitamin Tablets 100s <u>CMC Item :</u> Geriatric Pharmaton SOF CAPs x 30	For fatigue, anemia & as a nutritional supplement	OPTIONAL	Bottle	2		

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 18: SEVERE LOSS OF BLOOD & HEMORRHAGE / BLOOD BLOOD-STOPPING

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 08 72	Tranexamic Acid Injection Transamin ampoules 10X5 MLX 500MG	Blood-stopping Injection for General Hemorrhage Obtain RADIO MEDICAL ADVICE prior to use.	OPTIONAL	Box (pcs)	1 (10)		

OPTIONAL SECTION 19 : INSECT REPELLENTS - INSECTICIDES & LICE AND SCABIES

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 03 52	Insect Repellent lotions for skin Vials for personal use DEET 20-35 % formulation or Picardin or P-menthane –3 8-diol (80ml) <u>CMC Item</u> Citronella Vapo 75ml salcano	One vial per person in areas of risk of acquiring a disease transmitted by mosquitoes in a given port Consider diseases transmitted by mosquitos as Dengue Fever p-258-259, Malaria p-265-269 Yellow Fever p 284 (see IMGS pages 363-364)	OPTIONAL	Vial Bottle	One per person onboard in high risk areas. 12		
39 03 5A	Insect Repellent Spray 80 ml	Repels mosquitoes, flies, chiggers & other biting insects External Use ONLY	OPTIONAL	Can	6		

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 20 : ANTIDOTE FOR POISONING

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 03 78	Vomitive Syrop for Poisoning (Magnesium sulphate (Epson salt) 25gr <u>CMC Item:</u> Ipecavon Syrup 15 ml	To induce vomiting in case of poisoning	OPTIONAL	Bottle	1		

OPTIONAL SECTION 23 :SPASMOLYTIC ANALGESIC FOR COLIC PAINS OF KIDNEY – STOMACH – BELLY – BOWELS

39 01 90	Hyoscine Butylcromide Ampoules 20mg <u>CMC Item :</u> Buscopan 6 ampoules 20 mg	Spasmolytic For colic pains	OPTIONAL	Box (pcs)	2 (12)		
----------	---	-----------------------------	----------	-----------	--------	--	--

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 24 : MUSCULAR AND RHEUMATIC PAINS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 05 0A	Muscle relaxant injections 4mg/2ml <u>CMC Item:</u> Musco-ril 10 ampoules 4mg/ 2ml	For severe muscle aches	OPTIONAL	Box (pcs)	1 (10)		
39 05 01	Diclophenac Tablets 50mg <u>CMC Item :</u> Voltarene (20 tablets 50 mg)	For Rheumatic pains	OPTIONAL	Box (pcs)	2 (40)		
39 05 18	Topical Analgesic Ointement Salomethyl 100gr <u>CMC Item :</u> Voltarene Emulgel 100 gr 1%	For Rheumatic pains	OPTIONAL	Tube	3		
39 05 17	Reumaplaster (Medicated Plaster) <u>CMC Item :</u> Lion Plasters	For Muscular pain Neuralgia and Rheumatic pains	OPTIONAL	Pc	20		
39 01 93	Reumaplaster (Medicated Plaster) <u>CMC Item :</u> Salonipas Plaster 10pcs/pack	For Muscular pain Neuralgia and Rheumatic pains	OPTIONAL	Pkt	5		

MEDICAL CHEST INVENTORY- PART 2- OPTIONAL MEDICINES

OPTIONAL SECTION 25 : COMMON COLD / COUGH / EAR & THROAT INFLAMMATIONS

IMPA Code	Medicine Description	Indications	Mandatory or Optional Medical Guide Reference	Unit	Minimum Quantity	R.O.B.	Expiration Date
39 02 62	Cough Syrup (Linctus) <u>CMC Item :</u> Safarol Syruo 200 ml 7,5 mg/ 5 ml	To suppress the cough break up the chest congestion (phlegm)	OPTIONAL	Bottle	2		
39 02 39	Mentholated Ointment 45gr <u>CMC Item:</u> Vicks VapoRub 100gr jar	Relieves congestion & coughs due to colds. Massage onto chest.	OPTIONAL	Jar	4		
39 01 46	Cold Tablets <u>CMC Item:</u> Comtrex / Bufferin (24 F.C Tablets x (500+30+2) mg	For common cold / rhinitis symptoms	OPTIONAL	Box (Pcs)	2 (48)		
39 02 60	Throat Antiseptic Tablets <u>CMC Item:</u> Lysopaine 20 tablets 5 mg	For throat ache	OPTIONAL	Box	4		
39 03 94	Antiseptic Mouthwash 500ML <u>CMC Item:</u> Hexalen Solution 0.1% 200 ml	For oral hygiene	OPTIONAL	Bottle	2		
39 05 08	Cough Drops (Throat Troches) <u>CMC Item:</u> Vicks Cough Drops or Strepsils	Lozenges (troches) for sore throat & cough	OPTIONAL	Pkg (Pcs)	6 (144)
